

Dear Friends,

We hope this email finds you well. We'd like to remind you of the Reunion of the Chinese Management Scholars Community (CMSC) that will take place at this year's Academy of Management meeting in Philadelphia. Below is the time and location information of the event. In particular, we want to remind you of the **pre-registration** for the second half of the event—roundtable discussions. If you have interest in the roundtable discussions, please follow the instruction below to complete the pre-registration **by June 30, 2014**.

Time and location:

Saturday, August 2, from 7:00 to 10:00 p.m. at the Philadelphia Marriott Downtown (1201 Market St, Philadelphia, PA 19107), Grand Ballroom Salon E. It will consist of two parts:

Agenda:

- In the first half (7:00-8:30 p.m.), Dean Yadong Luo of the Sun Yat-Sen Business School, Sun Yat-Sen University; Professor Xiaoping Chen of the University of Washington; Professor Tony Tong of the University of Colorado; and Professor Wei Shen of Arizona State University will participate in a panel discussion on "Managing an Ambicultural Academic Career." The panel will focus on the unique challenges and opportunities Chinese management scholars typically face in two circumstances: (1) when pursuing their academic careers in Western countries, as foreigners; and (2) when pursuing their academic careers in China, as returnees.

- In the second half (8:30-10:00 p.m.), we will continue our tradition of roundtable discussions related to career-related counseling and experience-sharing. Discussion topics will include research, teaching, dissertations, job search, tenure packages, and so on.

Pre-registration:

Please **pre-register** for the roundtables **by June 30, 2014** so that we can better match your interest and career stage with the mentors leading the roundtables. Please go to (<http://www.mingjerchen.com/2014-cmsc-reunion-registration/>) to view information about mentors and to register. We will follow up by emails letting you know which discussion you will be participating in. Please note that this Alumni Reunion event will be conducted in Chinese.

We would appreciate it if you could help to spread the word about this reunion at the Academy meeting. Yan Ling (yling@gmu.edu) of George Mason University and Yu Zhang (yu.zhang@uci.edu) of University of California-Irvine are serving as coordinators of this event. If you have any suggestions regarding this reunion and/or how to further foster our community, please feel free to share them with us or the two coordinators of this event. For any logistical questions, please email cmsc@mingjerchen.com.

Have a productive and pleasant summer, and we look forward to seeing you in Philadelphia.

Best wishes,

The 2014 CMSC Team
